4ª SESIÓN

NOVIEMBRE

16

MIÉRCOLES 16, 9:45-10:30

Soluciones IIoT para la industria

Ponente:

- **D. Josep Lloret**
(Technology Consultant Software,
ROCKWELL AUTOMATION)

A photograph of a large, modern office building with a prominent clock tower. The building's facade is composed of vertical panels in shades of beige and grey. The clock tower is a square structure with a green roof and a large octagonal clock face. An American flag flies from a tall pole on top of the tower. The sky is blue with scattered white clouds. In the foreground, two green streetlights are visible.
