European Universities initiative

Transnational alliances of higher education institutions,
paving the way towards the universities of the future.

iniciativa "Universidades Europeas"

Programa Erasmus+ 2021-2027

Obxectivo inicial (2024) :

60 Universidades Europeas (50)

+500 institucións de educación superior (430)

Que é unha Universidad Europea?

alianzas transnacionais

Obxectivo: **universidades do futuro** ,

promovendo os valores e a identidade europeos

revolucionando a calidade e a competitividade da educación superior europea.

Apoio á excelencia investigadora (en liña con Horizonte Europa)

iniciativa "Universidades Europeas"

- balance xeográfico
- currículos personalizados
- programas conxuntos
- campus interuniversitarios
- mobilidade (tódolos niveis)
- cooperación interdisciplinar

Colaboración con socios (+1300):

To set-up a community of practice for European Universities

In 2024, the Erasmus+ programme will support the set-up of a community of practice for European Universities. Through this community of practice, European Universities alliances will:

- Work closer together and exchange best practices and experiences
- Undertake coordinated dissemination activities towards the wider higher education sector

The community of practice is expected to start in autumn 2024.

The call is open as of 3 October 2023.

[Go to the call on setting up a community of practice](#) 

2025

There are no calls foreseen.

2026

Subject to the adoption of the 2026 Erasmus+ Work Programme, a call for European Universities under Erasmus+ is expected to be launched in 2026, targeting primarily already existing deep institutional transnational cooperation alliances, ensuring sustainable funding up to 2028.

2027

Subject to the adoption of the 2027 Erasmus+ Work Programme, a call for European Universities under Erasmus+ is expected to be launched in 2027, targeting primarily already existing deep institutional transnational cooperation alliances, ensuring sustainable funding up to 2029.

CET partnership Joint Call 2023

Iniciativa cofinanciada pola Unión Europea
actores públicos e privados: investigación e innovación

Países europeos e non europeos

Obxectivos:

- fomentar ecosistemas de innovación

- potenciar a transición enerxética limpa

- contribuír ao obxectivo da UE: primeiro continente climáticamente neutro en 2050,

Convocatorias abertas

The **CETPartnership Joint Call 2023** is the second annual co-funded call under the CETPartnership. To cover different topics and RDI types, the Call is structured into **12 Call Modules**, aimed at different energy technologies and/or systems as well as both research and innovation oriented approaches on different Technology Readiness Levels (TRLs), complementing and completing each other.

General information about the call

The **CETPartnership Joint Call 2023** has two parts:

International Part: The international call is performed in **2-stages**: submission of a pre-proposal followed by an invite to submit a full proposal.

- Stage 1: Submission of a **pre-proposal**, a project consortium **chooses one Call Module** for the pre-proposal. If the pre-proposal is selected, the project consortium is invited to submit a full proposal.
- Stage 2: Submission of a **full proposal**, only if the pre-proposal is invited to participate in Stage 2.
