

The image features a green-tinted background with technical drawings of various mechanical parts. In the upper left, a Siemens pressure transmitter is shown with a digital display reading '798 mA'. In the lower left, a complex pressure valve or manifold is visible. On the right side, a vertical Siemens transmitter is shown with the label 'SIEMENS Transmitter'. A series of white, curved lines sweep across the bottom right portion of the image, suggesting motion or data flow.
